

NORDIC LIGHT HOTEL

DESCRIPTION OF ROOMS

DELUXE MOOD is our largest and most exclusive hotel room. With inspiration from the northern light, we have created a room where guests are enabled to freely blend the colours and influence the design themselves. You can read more about the effects of light in our book "Light Moods" – available in all rooms.

The room is equipped with exclusive handmade beds from Hästens™ and custom designed 420 thread count bed linen. The spacious bathroom invites you to a hot bath or a refreshing shower while enjoying our exclusive set of skin-care products from Temple Spa™.

But above all, we firmly believe that luxury for our guests is about details. We provide complimentary room service and breakfast around the clock along with your choice of morning newspaper. Naturally, we provide our appreciated Turn Down service and offer a late check out upon availability.
